Associate of Science to Bachelor of Arts in Psychology (Offered Only Online)

A Bachelor of Arts in Psychology is awarded once the student has completed the Associate of Science and the additional coursework listed above. A minimum of 121 credits must be earned.

A grade of "C: or better, or a "Pass" in a Pass/Fail transcribed course must be achieved to receive transient transfer credit.

***A student enrolling with a conferred associate degree may receive transient transfer credit for courses with an earned "D" as long this course was considered toward the competition of the associate degree.**

This Transfer Pathway represents one example of how to complete the AS and BA degrees. Students should work closely with advisors at both institutions to discuss options. Students should work with a **Tiffin University** advisor to identify a minor or a second major/etc. A **Tiffin University** advisor can also assist students with developing a graduation plan for full- or part-time study.

***Course sequence may change based on the individual needs of the student and the schedule type required.**

All students must complete:

- A minimum of 121 semester hours combined coursework from LCCC and Tiffin University completed.
- A minimum of 48 semester hours completed at a 4-year institution with 30 of these semester hours being completed with Tiffin University. All 300/400 level coursework is to be completed at Tiffin University.
